

TRUST US

and Enterprise®

A Complete Solution For You.

Our Direct Hire solution is a comprehensive accident support service to our non-fault customers.

If you are involved in an accident that isn't your fault, you can trust that we will provide the help you really need. We'll quickly get you back on the road and manage the claim.

In association with Enterprise, we have the experience, expertise, resources and capabilities to support you at every stage. Enterprise has more than 325 rental locations across the UK so help is just around the corner. We also partner with the UK's leading accident repair centres to give you full-service solutions.

You can rely on our partnership with Enterprise to:

- Pick you up from your home, repair garage or place of work
- Recover the vehicle on your behalf
- Get you mobile again in a similar vehicle
- Manage the direct hire process from start to finish
- Provide regular updates, support and advice

QUESTIONS

Why have we partnered with Enterprise?

Enterprise is one of the UK's leading rental car providers. With over 50 years of insurance rental experience, award-winning customer service and knowledgeable employees, as a team we're dedicated to get you back on the road fast.

How quickly can I be mobile?

Typically within 24 hours. With our nationwide branch network, we'll pick you up and get you moving again in one of our rental vehicles as quickly as possible.

Do I have to pay for this service?

We will seek recovery of the cost of your claim, on your behalf, from the at fault insurer.
